Road	
River / Creek	
Not to Scale	

READY

Clear a defensible space around your home.

Prepare an evacuation checklist of things to bring, including a Go Bag, important documents and animals.

Have an escape plan.

SET

Make a plan.

Build a kit.

Have a communications plan.

GO

Residents may be notified by phone or siren that evacuation is necessary.

Notify neighbors if possible.

Take your pre-made Go Bag and any pets or animals.

Safely make your way out of the area (see map other side).

Most importantly:

If you feel unsafe
Do Not Wait. Get Out.

www.socoemergency.org

If you are unable to evacuate:

In your home:

- Stay inside until fire passes with windows and doors closed but unlocked
- Keep family together and remain calm
- Remember if it is hot in your house it will be hotter outside

In your car:

- Park away from vegetation
- Roll up windows
- Cover mouth with dry cloth to protect airway
- Cover yourself with a blanket or jacket
- Stay in car until fire passes
- If car catches fire exit only after fire passes

On foot:

- Find an area away from vegetation
- Lie face down
- Cover mouth with dry cloth to protect airway

Returning home:

You will not be permitted to return home until a safety inspection has been conducted for residual fires, downed power line and other hazards.

Information will be available through the media, at road blocks and shelters.

BE READY TOGETHER
