

Sonoma County Drought Resilience Plan for State Small Water Systems and Domestic Wells

Public Meeting Announcement

Come learn about the development of Sonoma County's Drought Resilience Plan (as mandated by SB552). A great opportunity to hear the latest updates and to ask questions. More public meetings on this topic will be offered as Plan development progresses.

Date: Thursday, June 26th, 2025

Time: 6:00p.m. – 7:00p.m. PST

Format: Virtual with a 45 minute presentation and 15 minutes for Q&A

Potential topics include:

- Overview of Sonoma County Drought Resilience Plan
- Drought and water shortage risk assessment
- Short-term response actions
- Long-term strategies
